EXPERIENCE

HAMOYE Technologies, – Frontend Developer

MAY 2022 - PRESENT

- Developed intensive applications for AI lab projects helping businesses leverage data science technologies with React Js and other latest frontend development technologies.
- Built and contributed to the development of full-fledged, dynamic, and responsive websites for different clients with Next Js.
- Adopted React best practices in writing clean, efficient, and reusable components.
- Came up with a highly efficient simulation of data integration to enable a successful demonstration of app functionalities.
- Inspected existing websites to enhance SEO and proffered suggestions to increase the ranking of web pages.
- Wrote unit tests with Jest and React Testing Library during the development life-cycle of AI lab projects.
- Conducted extensive manual testing on multiple browsers to affirm the desired design and logical features.
- Resolved critical UI issues for a Content Management System Application for an affiliate company to get the application to production.
- Applied Agile methodologies for feature development.

Tech Stack: React Js, Next Js, TypeScript, JavaScript, HTML, CSS, REST API, SCSS, RTL, Jest, Git & GitHub

Freelance Developer, — Contractor

NOVEMBER 2021 - PRESENT

- Contributed to the development of the user interface for the ICEECE Conference Management Application of the University of Ibadan with DigImpact, implementing interfaces for QR code scanning to register attendees.
- Commenced the development of the official website for MSSN B-Zone, one of the largest student organizations in Nigeria.
- Collaborated effectively within teams and innovated practices that eased development processes.
- Facilitated seamless data integration and worked closely with project managers to improve app performances.

Tech Stack: React Js, TypeScript, JavaScript, CSS, SCSS, HTML, REST API, Git & GitHub

SKILLS

Languages:

JavaScript, TypeScript, CSS, HTML

Frameworks & Libraries:

React Js, Next Js, SCSS, Material UI, REST API

Proficiencies:

- JavaScript ES6.
